

# November Maximum Temperatures

The following is Met Office data, which looks at the number of days when maximum temperatures of 12C or more have been recorded across the UK, England, Wales, Scotland and N Ireland.

The data looks at the 30 year period 1961-1990 and compares this to the 30 year period of 1994-2023. The summary from the data is that for the UK and all four nations during the 30 year period 1994-2023 there were more days in November with maximum temperatures reaching 12C or more, compared with the 30 year period 1961-1990.

## UK

1961-1990 – 83 days  
1994-2023 – 143 days

---

## England

1961-1990 – 154 days  
1994-2023 – 255 days

These results show that during the 30 year period 1994-2003, England saw around 100 days more in November with maximum temperatures of 12C or higher, compared with the period 1961-1990.

---

## Wales

1961-1990 – 164 days  
1994-2023 – 236 days

## Scotland

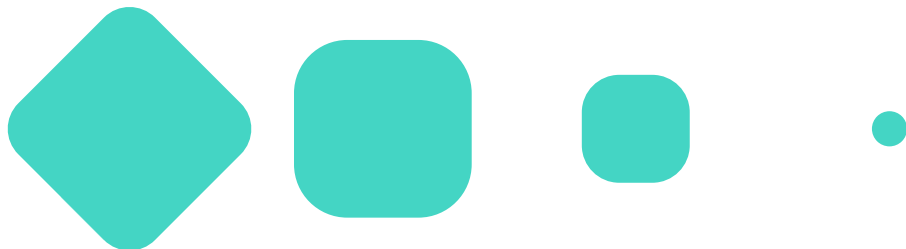

1961-1990 – 60 days  
1994-2023 – 95 days

These results show that Scotland saw twice as many days in November with maximum temperatures of 12C or higher during the 30 year period 1994-2023, compared with the period 1961-1990.

---

## N Ireland

1961-1990 – 187 days  
1994-2023 – 211 days

# December Maximum Temperatures

The following is Met Office data, which looks at the number of days when maximum temperatures of more than 10C have been recorded across the UK, England, Wales, Scotland and N Ireland.

The data looks at the 30 year period 1961-1990 and compares this to the 30 year period of 1994-2023. The summary from the data is that for the UK and all four nations during the 30 year period 1994-2023 there were more days in December with maximum temperatures of more than 10C, compared with the 30 year period of 1961-1990.

## UK

1961-1990 – 113 days  
1994-2023 – 160 days

---

## England

1961-1990 – 174 days  
1994-2023 – 247 days

---

## Wales

1961-1990 – 164 days  
1994-2023 – 236 days

## Scotland

1961-1990 – 60 days  
1994-2023 – 95 days

---

## N Ireland

1961-1990 – 187 days  
1994-2023 – 211 days
